What's Valentine's Day without chocolate? We will experience the sweeter side of KC with a tour of Chip's Chocolate Factory. Titanic Exhibit & "Pump Boys & Dinettes"

\$107

On April 15, 1912, Titanic, the world's largest ship, sank after colliding with an iceberg, claiming more than 1,500 lives and shaking the world's confidence in the infallibility of modern technology. The story of the sinking is legendary. We will experience the wonder and tragedy of this ill-fated Ship on a journey through Titanic history at Titanic, The Artifact Exhibition at Union Station. Travel back in time with compelling stories, historically accurate room recreations, and nearly 300 authentic artifacts recovered on seven research expeditions since the Ship's discovery in 1985. Then we're off to the New Theatre Restaurant for dinner and "Pump Boys & Dinettes", starring Gregory Harrison of Trapper John MD on TV. The musical tells the story of four men who work at a gas station, and two women waitresses at the "Double Cupp Diner", a dinette, located somewhere between Frog Level and Smyrna, North Carolina. The music is mostly from the country rock/pop music genres. They perform on guitars, piano, bass and kitchen utensils. "A full crock of foot-stomping charm!" – NY Times.
